## ABOUT THE STATE

The boys' department of the young  
Men's Christian association of Troy, N.  
Y., has opened "Camp Usum" at Bar-  
re's pond, a mile from Pownal. This  
camp is exclusively for the boys of the  
Troy association and a party of about  
forty will pass three weeks there.

A new Burroughs adding machine has  
been installed in the office of J. E.  
Cushman of Burlington, commissioner  
of state taxes. There are but two ma-  
chines of this kind of equal capacity  
in the state, and this is the first ma-  
chine of the kind to be owned by the  
department of taxes. The capacity is  
9,999,999,999.99. The machine is  
used principally for adding and multi-  
plying but it can also be employed in  
subtraction and division.

Adj. Gen. W. H. Gilmore of the state  
of Vermont has issued an order direct-  
ing the following officers of the medi-  
cal department to report to the officer  
in command of the camp of instruction  
for militia officers at Antisett, Md.,  
July 15-28: Maj. George B. Anderson,  
surgeon; Capt. John H. Dods, assis-  
tant surgeon; Lieut. Thomas H. Hagan,  
assistant surgeon, to engage in actual  
field and camp service for instruction.  
Upon the return the senior officer is  
to make a report to General Gilmore.

## For Champlain Sunday.

Special services in accordance with of-  
ficial order of worship will be held in  
numerous churches.

The special order of worship supplied  
by the Vermont Tercentenary commis-  
sion for use in religious services on  
Sunday, July 4, has been distributed to  
the number of 20,000 copies. To the  
first regiment Vermont National Guard  
for use in camp, 700 have been supplied  
and in numerous instances parties from  
outside the state who will be in sum-  
mer camp in Vermont have requested  
and have received the order of worship.

In many Vermont towns and also in  
some in New Hampshire, worship will  
be in accordance with these exercises.  
These orders of worship have been sent  
direct by Arthur F. Stone of St. Johns-  
bury, a member of the tercentenary  
commission. Mr. Stone announces that  
he cannot be relied upon to fill orders  
after June 30. Every pastor in Ver-  
mont received notice that he would be  
supplied with the order of worship for  
his church upon request, so if the mat-  
ter has been delayed, any disappoint-  
ments are not due to the commission as  
regards the distribution of this service.

Any church that has not received its  
supply and which desires the order of  
worship, should communicate with Mr.  
Stone at once.

**DEGREE FOR GOV. PROUTY.**

Middlebury College Awarded an L. L. D.  
on Vermont Executive.

Middlebury, June 30.—Yesterday was  
alumni day at Middlebury college, and  
at 9:30 o'clock a business meeting of  
the Associated Alumni was held in the  
chapel, presided over by James F. Mc-  
Naboe, of the class of 1902.

At 10:00 o'clock exercises were held  
on the campus. A national flag was  
presented by Frank L. Bell, of the class  
of 1891, and it was raised on the col-  
lege flag pole.

The Vermont state flag was presented  
by Gov. George H. Prouty, and it was  
raised on the college chapel. An ad-  
dress was delivered by Gov. J. Frank-  
lin Pierce, New Jersey.

The honorary degree of doctor of  
laws was conferred upon Governors  
Prouty and Fort.

Music was furnished by the student  
choirs under the direction of Mrs. Wal-  
ter E. Howard and by the Middlebury  
band.

The national salute was fired by a  
detachment of artillery from Norwich  
university.

In the afternoon the alumni luncheon  
was served and later there was a base  
ball game between alumni and under-  
graduates. Last evening a concert was  
given at which David Bispham sang.

**STILL VOTE TO BUILD.**

Franklin Voters Are in Favor of New  
High School Structure.

Franklin, June 30.—At a special  
town meeting held yesterday to see if  
the town would vote to reconsider the  
vote taken at the annual town meet-  
ing, to erect a new high school building,  
the vote was again in favor of build-  
ing, the vote standing 113 to 42. It  
was also voted that the building com-  
mittee be empowered to sell the old  
building and apply the proceeds toward  
the purchase of suitable school grounds.

**Vermont Leads The Nation.**

When the Vermont legislature had  
completed its labors—as far as practical  
accomplishment was concerned—it was  
suggested by some one—Fletcher of  
Cavendish, perhaps—that the general  
assembly should then and there ad-  
journ and the members proceed to their  
homes and about their personal busi-  
ness. Whereupon those set in authority,  
—by their own motion—said "Not until  
you do something about taxation."

And the legislature remained for two weeks  
more at a cost of \$18,000 or more and  
still—did nothing. Now comes the na-  
tional situation. Congress having  
practically asserted that nothing special  
need be done about the tariff. Presi-  
dent Taft hurries into the arena the  
issue of discord, entitled: "Tax on Net  
Earnings of Corporations," and says  
practically that Congress shall not ad-  
journ until something is done about  
revenue. Result—interminable and ex-  
asperating cost and the people's busi-  
ness not one whit advanced.—Rutland  
Herald.
